

PAXTON STUD

2ND ANNUAL ON PROPERTY SALE

PAXTON BORDER LEICESTER STUD

Friday, 12th October 2018 at 2:30pm

"Broadview" 942 Broadview Road, Western Flat

Martin and Kirsty Harvey welcome you to their 2nd annual on property sale of Paxton Border Leicester Stud.

In 2009 we purchased the Wongary Border Leicester Stud from Robert & Diana Hooper. We have endeavoured to continue with Robert's breeding philosophies.

The Paxton Studs prides itself on structurally sound, easy care paddock reared rams. The stud maintains a focus on fertile, high growth, well-muscled, quality wool cutting sires.

At the conclusion of the sale we invite you to join us for refreshments.

Rams will be penned by 12.30pm with the sale commencing at 2:30pm.

Paxton Stud have MN2 vaccinated status in the OJD Market Assurance Plan (S396) and is Ovine Brucellosis Accredited (Flock no. 470)

Robin Steen P: 0428 838 195
Ray Jaensch P: 0439 870 682

We offer a rebate of 3% to outside agents introduced in writing 24 hours prior to sale. No delivery will be permitted before the end of the sale unless by prior arrangement.

MANAGEMENT OF YOUR NEW RAM

Paxton Stud has done their best to present their annual draft of structurally sound rams for your selection.

All rams from "Broadview" are Brucellosis free, MN2 status and OJD vaccinated. Recently, they have been backlined, Dynamax capsuled and 6 in 1 vaccinated.

We may suggest you insure your ram for the next 6 months. He will be more susceptible to injury, death and loss of use in this time than any other period of his life.

Try and avoid putting new rams with old rams prior to mating. Border Leicester rams will perform better shorn at time of mating. Fly strike and grass seeds will be minimised.

From here on this management is your concern and will influence what his productive life will be in your breeding program.

We wish you every success with your purchase.
